

Design and Technology Teacher

Salary:	MPS/UPS
Start Date:	September 2015
Contract Type:	Part Time 0.4 FTE
Contract Term:	Permanent
Closing Date	9:00am on Monday 2 nd February 2015
Interview Dates:	Interviews will be held after Wednesday 4 th February 2015

We are looking for a teacher of Design and Technology who can also deliver Engineering courses. Whilst prior experience of delivering Engineering is not essential, a good understanding of engineering processes is required.

NUAST is a 14-19 Academy specialising in Science, Engineering and IT. The academy opened to Year 10 and Year 12 students in September 2014 and moved into its state of the art new facility in November 2014. By September 2015 NUAST will have up to 300 students in Years 10, 11, 12 and 13.

Located within walking distance of the University of Nottingham's Park Campus, the NUAST building has been designed to provide students and staff with the very best facilities and equipment, preparing students for degrees and modern apprenticeships in our specialist subjects.

NUAST is co-sponsored by the University of Nottingham and Sir Harry Djanogly. This partnership is supported by leading industry partners including Rolls Royce, Siemens and Experian. The Torch Academy Gateway Trust is the education partner, overseeing the day-to-day running of the school.

NUAST is an academy where innovation, creativity and imagination are essential ingredients to our student's success. NUAST is looking for teachers who can look beyond the classroom and see the wider connections between education, employment and lifelong learning.

NUAST staff work with both the University of Nottingham and industry to create a curriculum that is relevant, exciting and challenging. We are looking for teachers who can use these wider experiences and opportunities to bring out the very best in our students.

Please see the Job pack on the school website for details of how to apply.
